ADDENDUM NO. 3

The following amendments, additions, deletions shall be made to the contract documents. In so far as these documents are at variance with this Addendum No. 3 dated December 28th, 2020 the addendum shall govern:

- Additional Questions & Answers (to date), A.3-2
 - Revised Bid Schedule: Replace Pages P-6 through P-13 of the original plans and specifications with the revised bid schedule from Addendum No. 3, A.3-3 through A.3-11
-

Questions / Answers:

Q – The \$5 Lot has bid item no. 14 for rip-rap outlet protection but also bid item no. 26 for concrete flumes and rip-rap. Should the rip-rap only be bid on one of these items?

- A – Yes, the rip-rap should only be bid for one of these line items. Please bid flumes only on bid item no. 27 and the rip-rap on bid item no. 15. A revised bid schedule will accompany this Addendum No. 3. Note that the bid schedule was revised in Addendum No. 2, Addendum No. 3 revision will replace all earlier versions of the bid schedule for this project.

Q – Please verify that the “pole concrete base, 30-ft high & above” are the only concrete bases for the 50-ft light poles to be placed.

- A – Yes, all poles are concrete base. Please refer to drawing E-002, detail no. 3 for additional information. Per the detail, the final foundation of the pole is referencing the manufacturer recommendation and structural engineer review.
