---

Q: Since the payment terms are 30 days after delivery and we have never done business with your airport we would like to withdraw from participation. It is part of our company philosophy that we do not deliver products to new customers without financial securities / prepayment.

A: Thanks for your response. We understand your company's policy. If awarded, we are willing to provide up to 25% of prepayment funds delivery of goods. After the goods are received, we will remit payment to satisfy the remaining 75%. The Commission generally satisfies payment of goods before 30 days of delivery.
