

PASSPORT CLUB UPDATE

Savannah/Hilton Head International Airport passenger numbers are breaking records in 2023! As a result, the Passport Club (PPC) is receiving more guests than ever before. While this growth is exciting, it has also presented its share of challenges. Many of these same challenges are being faced by airport lounges across the world.

To continue to provide the best customer experience to all of our guests, it is necessary for us to make some changes to our PPC entry requirements. We do understand some of these changes will mean you no longer have access as you have had in the past. However, we have options for you to purchase a one day pass or annual membership directly to the club.

Please keep in mind, the SAV Passport Club is not affiliated with, or funded by any airline, credit card or other outside company.
