Questions & Answers

Question from Dennis Bruneau of Shamrock Concrete Construction

1. Instructions to Bidders, page 1-1 Item B.....do we need to be a Georgia Licensed Contractor to bid this project? If we do, can we get licensed after the project is bid?
**Response: Yes, due to the multiple disciplines involved with the scope of work, the prime contractor will need to have a Georgia General Contractor's License.
No, the Contractor must be licensed at the time of bid opening.**
