ADDENDUM NO. 2

The following amendments, additions, deletions shall be made to the RFQ documents. In so far as these documents are at variance with this Addendum No. 2 dated March 15, 2024 the addendum shall govern:

1. Additional Information Requested in Bid Response

The Savannah Airport Commission requests that all bidders provide additional pricing information for a transit shuttle bus with ADA (Americans with Disabilities Act) capabilities. As initially requested, bidders will include pricing for a non-ADA unit in the response as well. The ADA unit must have the capability to transport passenger(s) that is/are "wheelchair bound". Lifts/ramps (etc.) are required on the unit for passengers to enter and exit the unit safely.

The requirement to be filled with this RFQ remains at (1) one unit. The Savannah Airport Commission will decide if the unit of choice is non-ADA or ADA based on bid responses. Please also provide an Estimated Time of Delivery (ETD) and warranty information for both non-ADA and ADA units.

The submission of information for an ADA unit is optional. If a bidder only submits information for a non-ADA unit, the bid response will be sufficient and accepted.
