SAV Airport Hazard Report

This form should be used to report any hazard(s) that has caused or could cause an accident/ incident at the Savannah/ Hilton Head Intl Airport (SAV). If the hazard is an emergency or needs immediate action, contact the Airport Communications Center (ACC) at (912) 964-7501.

At SAV, every employee plays a vital role in maintaining a safe environment. It is each person's responsibility to share any information that could potentially threaten the integrity of safe operations.

You have the option to submit a report **anonymously** by leaving out your name, company, or any other identifying information. If you choose to include your name, only the SAV Safety team will have access to your report, which may be used to gather further information about the hazard or event and to discuss any necessary follow-up actions. Your identity will NEVER be shared with any individual or organization without your explicit consent. However, please note that this confidentiality assurance does not apply to any intentional violations of regulations or negligent actions that occur at the airport.
